

## Carryover Funds

**IssueDate:** April 24, 2006  
**Source:** No Child Left Behind Act, Section 1127, 4114(a)(3)(B)  
**Keywords:** Carryover Funds  
**Summary:** All grants in the Consolidated Funding Application (some with limitations) have carryover

### Definition

Funds that the local educational agency (LEA) did not spend in the previous fiscal year and the agency is still eligible for, are automatically placed in the ePAGE Allocations page under carryover (CO). Carryover becomes accessible ONLY after the local educational agency submits the Final Financial Report (FFR).

### Aligning ePAGE pages

When revising the budget for carryovers, or any reason, review all the pages of the grant application for alignment with the new budget. Often the following sections/pages need to be adjusted:

- Amount of District Plan Fiscal Resources targeted to a Goal in the Planning Tool.
- Budget Details pages, including Full time Equivalents (FTEs) for salary changes.
- School Allocation and Set Aside pages for Title I.
- Budget page for exceeding recommended limits on supplies and equipment and administrative costs.

### Consolidated Funding Application

The following grants have carryover provisions:

**I-A (Basic)**-100 percent carryover of total Title I-A allocation. A once-in-three-years waiver may be requested by emailing your Title I Consultant through the ePAGE History Log.

**I-Neglected** - No limit on carryover.

**I-Delinquent** - No limit on carryover.

**School Improvement (SI)** -100 percent carryover.

**Comprehensive School Reform (CSR)** - 100 percent carryover.

**II-A Improving Teacher Quality** - 100 percent carryover.

**II-D Technology** - 100 percent carryover.

**III Limited English Proficient (LEP)** - 100 percent carryover. Carryover may be used even when there is no current year allocation as long as the grant serves the targeted LEP population.  
**III Immigrant** - 100 percent carryover. Carryover may be used even though there is no current year allocation as long as the grant serves the targeted Immigrant population.

**IV Safe and Drug-Free Schools** -25 percent of total IV allocation after Sept 30. Waivers for not expending the funds in a timely manner may be granted for good cause. E-mail your request and explanation to your Title IV Consultant through the ePAGE History Log.

**V Innovative Education** - 100 percent carryover.

**VI-B Rural** - 100 percent carryover.
